2025-65034	05/27/2025	Protect Democracy Project	<p>Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, the Protect Democracy Project hereby requests that your office produce within 20 business days the following records:</p> <p>From January 27, 2025, through the date on which searches are conducted for records responsive to this request:</p> <p>The petition, and any accompanying justification or analysis, that the Executive Office for Immigration Review (EOIR) submitted to the Office of Personnel Management (OPM) recommending the placement of position[s] into Schedule Policy/Career ("P/C"). Schedule P/C is the schedule in the excepted service created by President Trump's Executive Order No. 14,171, 90 Fed. Reg. 8,625 (Jan. 20, 2025). According to a January 27, 2025, memorandum, OPM instructed federal agency heads to submit interim recommendations for reclassification of positions into Schedule P/C on or before April 20, 2025. These petitions would likely have been submitted to OPM via email at employ@opm.gov with the email header reading "SUBJECT: Schedule Policy/Career" and no later than Sunday April 20, 2025. They may have been submitted on a rolling basis.</p> <p>If the interim recommendation petition and any accompanying justification or analysis did not set forth the reasons EOIR believed these position[s] met the criteria for placement into Schedule P/C, documents sufficient to explain why EOIR officials believed the position[s] met those criteria, whether or not EOIR sent such documents to OPM. Executive Order 13,957 requires all agency petitions to "include a written explanation documenting the basis for the agency head's determination that such position[s] should be placed in Schedule Policy/Career."</p> <p>2. In addition to the records requested above, we also request records describing the processing of this request, including records sufficient to identify search terms used and locations and custodians searched, and any tracking sheets used to track the processing of this request. If your agency uses FOIA questionnaires or certifications completed by individual custodians or components to determine whether they possess responsive materials or to describe how they conducted searches, we also request any such records prepared in connection with the processing of this request.</p> <p>(Date Range for Record Search: From 01/27/2025 To 05/23/2025)</p>	-	-	-

2025-66768	05/30/2025	N/A	Pursuant to the Freedom of Information Act, I hereby request the following records: Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, I am requesting access to records related to the hiring of new personnel at the Executive Office for Immigration Review (EOIR) from February 14, 2025, to the present date. Specifically, I seek records showing whether EOIR has hired any new immigration judges or other staff members since the publicly reported termination of twenty immigration judges on February 14, 2025. This includes names, job titles, dates of appointment, assigned court locations, and any vacancy announcements, selection memoranda, or internal hiring documents associated with these appointments. The public has a legitimate and compelling interest in knowing how EOIR is operating in the wake of these mass terminations. Immigration judges are public officials performing adjudicatory functions in proceedings that often implicate fundamental due process rights. The transparency of their appointment is essential to maintaining public confidence in the integrity of the immigration court system. Disclosure of this information is not barred by FOIA Exemption 6. The courts have consistently ruled that the names, titles, and duty stations of public employees, particularly those in high-profile adjudicatory roles, are not exempt from disclosure. See Department of the Air Force v. Rose, 425 U.S. 352 (1976); Core v. U.S. Postal Service, 730 F.2d 946 (4th Cir. 1984); and Judicial Watch, Inc. v. U.S. Department of State, 875 F. Supp. 2d 37 (D.D.C. 2012). I am also requesting a waiver of all fees associated with this request. I am seeking this information for a non-commercial purpose. Disclosure will significantly contribute to the public understanding of how EOIR is managing judicial vacancies and conducting its hiring practices in a politically consequential and legally sensitive environment. Please provide responsive documents in electronic format if possible, sent to the email address listed above. If this request can be narrowed to facilitate a quicker response, I am willing to discuss reasonable modifications. If any portion of the request is denied, please provide a written justification for the denial, citing specific statutory exemptions and informing me of my right to appeal. The requested documents will be made available to the general public, and this request is not being made for commercial purposes. In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not. Thank you in advance for your anticipated cooperation in this matter. 2025-74984	06/25/2025	EOIR	(b) (6), respectfully request a complete copy of all records related to my immigration case before the Executive Office for Immigration Review (EOIR). This request includes, but is not limited to: All forms and documents filed with the immigration court Notices to Appear (NTAs) and hearing notices Any orders or decisions issued by the immigration judge Records of past hearings or appearances A complete docket history Copies of any asylum applications (Form I-589) submitted to EOIR Any notices or correspondence sent to the attorney of record The complete EOIR record and A-file in EOIR's possession I entered the United States on May 23, 2022, through the San Luis, Arizona border. Before one year from my entry had passed, I properly filed my asylum application. I also hired a private attorney to represent me in immigration court. Unfortunately, despite my responsibility and effort, the attorney failed me. I had set up automatic payments, and although only one payment failed, I was not notified in time. Later, I received a letter stating that due to that missed payment, they could no longer represent me. Nevertheless, I paid the full balance because I am a responsible and hardworking person. Still, the attorney's office abandoned the case and did not provide me with any further updates. As a result, I am currently unaware of the actual status of my case and what documents or actions are present in the court's file. For this reason, I am submitting this Freedom of Information Act (FOIA) request to obtain full access to my immigration court records, so I can properly understand and manage my legal situation. Thank you for your attention to this request.	-	-	-

So, my request is simple; I would love to obtain a Notice of Receipt that includes my case number and clearly states when my Application for Asylum and for Withholding of Removal was filed.
