SUBJECT: Recruitment Notice: Six-to-Nine-Month AUSA Details to the United States Attorney's Office for the District of Columbia to Handle Cases Involving the Breach of the United States Capitol Building

ACTION REQUIRED: Please volunteer AUSAs to assist with the significant influx of cases resulting from the recent breach of the United States Capitol Building.

DUE DATE: **Immediate, but no later than February 5, 2021.**

CONTACT PERSONS: **(b)(6) per EOUSA** (for applications)

**(b) (6)**

On behalf of the United States Attorney's Office for the District of Columbia (USAO-DC), EOUSA seeks AUSAs for six-to-nine-month detail assignments to work full-time on criminal cases arising from the breach of the United States Capitol Building on January 6, 2021. The USAO-DC is facing a significant influx of cases relating to the events that occurred that day and is working diligently with investigators to gather evidence and enforce our nation's laws. The USAO-DC has an urgent need for assistance with prosecuting hundreds of criminal cases involving a variety of offenses including obstruction, entering a restricted building, assault on a federal officer, destruction of government property, rioting, and seditious conspiracy. Detailees may serve from their home districts or in the District of Columbia. Detailees who work from their home districts may be required to travel occasionally to the District of Columbia. Extensions of detail assignments will potentially be needed.

This is not a reimbursable detail. During the period of the detail, each detailee's home district will continue to cover the salary cost of the detailee. EOUSA will centrally fund other related costs, such as extended temporary duty travel allowances (EX-TDY).

Based on the importance and immediacy of the need, we ask each United States Attorney to consider whether he or she can offer critical assistance to the USAO-DC. We need to receive responses from each district **on or before February 5, 2021**.

Applicants who have the support of their United States Attorneys should submit via email to **(b)(6) per EOUSA**, Attorney Advisor, an informal resume and cover letter indicating whether the

applicant can work from their home district or in the District of Columbia. The cover letter must also indicate that the applicant's United States Attorney has approved the application. Please copy (b)(6) per EOUSA at (b) (6) on all email application submissions.

All,

I'm sure you have watched in shock and disgust the events taking place in our nation's capital, and indeed at the Capitol Building itself. As a public servant for more than 25 years, it pains me to see what is happening.

At this moment, law enforcement officials from multiple agencies and jurisdictions are working to restore order to the area. This will take some time. For those of you in DC itself, I'm sure you are aware that the Mayor has announced a 6pm curfew for tonight. Please abide by that curfew keeping yourself and your loved ones safe.

We are a democratic nation of laws, and what we are witnessing is not representative of who we are or who we want to be. The events are those often seen in other countries, but they painfully remind us how special and precious our democracy truly is. As a nation we have faced prior tests to our democratic institutions and processes, and we have emerged stronger. We will overcome this challenge as well.
